9.10 Undercover Boss

Undercover Boss is a TV show where different bosses work undercover. They want to know more about their workers and about problems in their companies. In Episode 1, David Clarke, the manager of a big hotel chain, is working 'undercover' for a week in one of his hotels.

9.11 Episode 1 summary

Monday

David says that he's a new worker and that his name is 'Andy'. The other workers don't know who he really is. He usually wears a suit, but today he's wearing jeans and a T-shirt. He's working in the kitchen – he's washing the dishes. The people in the kitchen usually work 80 hours a week! One of the ovens is broken, but David thinks that the food is good.

Tuesday

Today, he's working in the bedrooms. Next week, there is a hotel inspection. The workers are repairing things that are broken, but only in the rooms for the hotel inspector. They aren't repairing things in the other rooms. David isn't happy about this, but he can't say anything.

Wednesday

Today, David is working in the restaurant. He's serving breakfast. He's wearing a white jacket and a hat. The waiters and waitresses always work very hard.

Thursday

David is cleaning rooms. The workers only have a quarter of an hour to clean a room. David is working very hard. He's very tired.

I = interviewer S = Sandra

- I** Hi, Sandra. Tell us a bit about your experience.
Where are you working?
- S** I'm working in a clothes shop called FatFace.
- I** What kind of clothes does FatFace have?
- S** Er, well, clothes for men and women, informal clothes, trousers, T-shirts, sweaters, things like that.
- I** What do you do every day?
- S** Well, er, I help the customers to find the clothes that they're looking for. It's a big shop and it has a lot of things. People sometimes can't see the things that they want.
- I** Do you like working there?
- S** Yes, I love it. The people are really nice to me. I'm making a lot of new friends.
- I** Is there anything you don't like?
- S** Well, we can't sit down, we're standing up all the time. So that's quite hard.
- I** But, in general, you're happy?
- S** Oh, yes. And when my two weeks finish they say I can work here on Saturdays! That's great for me. I really like working in a clothes shop.
- I** What do you wear at work?
- S** We wear clothes from the shop.
- I** Are the clothes that you're wearing today from FatFace?
- S** Yes, they are!

Visit Scotland

Scotland is one of the world's top tourist destinations, with 10,000 kilometres of coast, 790 islands, more than 30,000 'lochs' (the word in Scotland for lakes), famous castles, and beautiful cities. There's something for visitors of all ages.

Why Loch Ness?

Loch Ness is 10 km south west of the city of Inverness – perfect for day trips.

You can take a boat trip on the loch and visit the Loch Ness Centre to find out all about 'Nessie', the monster.

One of the most beautiful castles in the world, Urquhart Castle, is on the banks of the loch.

There are wonderful places for walking and cycling very near.

Accommodation

Stay at the Craigdarroch Inn. It's the perfect place for a great view of the loch.

We followed our dream

My wife and I always wanted to live abroad. But Miriam and I both work in the UK – she's a doctor and I'm a designer – and we have two small children, Sacha and Elena. Then an American university, Duke in Durham, North Carolina, asked Miriam to go and work there for a year. At first, we weren't sure what to do. There were so many questions. What about Sacha's school? What do we do with our house? But finally, we decided to go!

11.2

1 We rented a house near the university.

2 We booked our flights. It was a long journey!

3 We invited our friends to our local pub to say goodbye.

4 We packed seven heavy suitcases.

11.6

At first living in the USA was quite difficult. We missed our friends and family and we didn't like the food. It was difficult to find organic fruit and vegetables. We also needed to rent a car. In London, we don't drive, but in Durham, not many people walk or use public transport!

But we soon started to enjoy it. Our house was nice, and near a lovely park. Sacha liked his school, especially his music teacher, who played the trumpet! He worked hard and his teachers were very happy with him.

11.7

Miriam really liked her job – it was very interesting. I worked from home, so I was with the children a lot and I loved it. In general life was good. It was quite cheap – cheaper than in the UK. We joined a sports club, where the children learned to swim, and I played a lot of tennis, one of my favourite sports.

The people in Durham were very friendly. They often invited us to their homes. It was easy to meet people at the sports club, or at the university where Miriam worked. And there were so many new places to see! At weekends we visited some of the beautiful national parks. They were very different from English parks! In one park there was a sign saying 'don't disturb the snakes' – Sacha loved it!

I also remember a trip to a country music festival at a blueberry farm. It was fantastic. First we listened to the music, and then we picked a lot of blueberries – they're Elena's favourite fruit. But after that trip she didn't want to eat a blueberry for at least two weeks!

We stayed in Durham for a year. After that we returned to England, because my wife's job finished. But we loved our life in the USA, and we're thinking of going back there in maybe two or three years.

11.15 Life in a day

Early in the morning in the USA, a baby opened his eyes and looked at his mother. 'Isn't he pretty?' she asked the camera. Around the world, people got up, and washed, and had breakfast. A 15-year-old boy shaved for the first time. He didn't enjoy it! A small boy kissed his mother on her birthday.

The 24th of July was a Saturday, so a lot of people didn't go to work. They relaxed and went to the park

with their family, or went shopping. But other people worked hard, or cooked and cleaned. Some children played – but others worked. One small boy cleaned shoes in the street. One woman went to hospital for an operation. Another woman waited all evening to talk to her husband on Skype. He was a soldier thousands of miles from home.

For some people, the 24th of July was a special day. A man arrived in Kathmandu. He was on a cycle trip around the world. A woman did an incredible skydive. An unemployed man got his first job. A boy who was at university went home to see his father for the first time in three years. Another man asked his girlfriend to marry him. A man and a woman got married and had an incredible party.

This beautiful film shows us life around the world in the 21st century. Watch it! It's free on YouTube.
